The ICS Resource Center provides personalized assistance

New Partnership Aids Resource Center Expansion

The ICS Resource Center started in 2010 to help clients overcome barriers to employment and financial stability. Volunteers work one-on-one with unemployed and underemployed individuals on basic work-related skills to help them become more competitive for jobs with livable wages.

Now, a new partnership is giving ICS tools to expand our work with clients looking for employment! ICS is collaborating with **Arizona Youth Partnership** and **Lutheran Social Services of the Southwest** on a three-year project to help individuals and families with career development and economic self-sufficiency.

Funded through a federal grant from the U.S. Department of Health and Human Services—ACF Office of Family Assistance, the **“Building Futures for Families”** project serves low-income families and individuals by combining relationship education with job and career development.

Empty Bowls

a fundraiser
to fight hunger and feed hope

Join us for this spring event to benefit the ICS Food Bank and its programs to feed and assist people who are struggling throughout Pima County. Guests to **Empty Bowls** will sample signature soups, breads and desserts from area restaurants and can select a beautiful hand-crafted pottery bowl to take home as a reminder of hunger in our community.

At press time, participating event restaurants and sponsors include: **Kissed by an Italian**, **Bob's Steak & Chop House** at **Omni Tucson National Resort**, **Jax Kitchen**, **The Grill at Hacienda del Sol**, **It's Greek to Me**, **Hilton Tucson El Conquistador**, **El Charro**, **Allegra Printing**, and **Café Torino**. To sponsor or add your restaurant to the list, contact **Deborah Carr** at 297-2738 x222.

Local potters are busy creating over 500 one-of-a-kind bowls for the event. Thanks to **Marjon Ceramics**, **Laguna Clay** and **Pima County Parks and Recreation** for their support. Tickets for **Empty Bowls** are available at 297-2738 x209, at www.icstucson.org, or at the door. See you there!

Food Bank Building Donors Honored On Tile Wall

ICS appreciates each donation that has made our new **Food Bank** facility possible. The following donors have given \$500 or more to the building project and will be featured on our **Table of Plenty Donor Tile Wall** to be unveiled Spring 2012. If you have given but do not see your name, or if you have not made a gift of \$500 or more to the building fund and would like to do so, please contact the Development Office at 297-2738 x222.

ICS Hits the Road Thanks to Donated Vans

ICS now has two cargo vans to support our **Food Bank** operations!

The **Calistri Family Foundation's** generous donation of \$35,000 allowed ICS to purchase a refrigerated van to transport fresh and frozen food. **Tucson Electric Power** donated a mint-condition 2006 van, which is used for non-perishable food pickups and community outreach events. Both vans are decorated with ICS graphics to make ICS more visible in our community.

Look for the vans around town!

ICS Food Bank Opens

In our Winter 2011 newsletter, the picture of the ICS Food Bank expansion was merely an artist's drawing. Now, the new and fully funded 2,700 square-foot ICS Food Bank is a reality! The building opened its doors to clients on October 31, 2011.

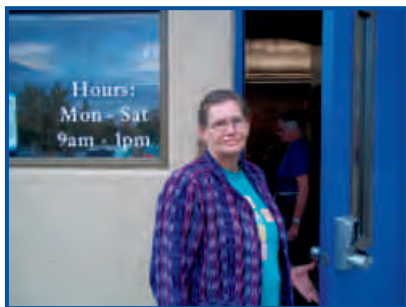

In addition to substantially more storage room, the building includes a comfortable client waiting area and a Kids' Corner. While their parents wait for assistance, our youngest visitors are able to curl up in a penguin chair and

enjoy a book—which they are welcome to take home with them.

Clients and volunteers alike have embraced the new space. "This is nice," said Joan, a client. "There is so much room and it really makes you feel welcome." Marcia, a long-time volunteer, echoed those sentiments: "We're not bumping into each other anymore! And more clients can move through the aisles at the same time, so we can help more people."

A new walk-in refrigeration and freezer unit allows ICS to distribute fresh and frozen foods, providing our clients with a larger and healthier selection. This unit was critical during the holiday season. Between November 21 and December 22, ICS gave out 1,980 holiday food packages—a 27% increase from the 1,552 packages distributed in 2010. Each contained the fixings for a holiday meal, including a frozen chicken, turkey, or ham.

ICS has raised all of the funding for the new building, equipment, and furnishings. Construction on the awning, which will connect the Food Bank to the main office, begins soon, and the donor tile wall is scheduled for installation in March. See page 5 for details on the dedication event this spring.

Hunger in Arizona

Although the economy is slowly showing signs of recovery, data from the U.S. Census and poverty researchers show that many of our neighbors continue to struggle to put food on the table:

- 18.6% of Arizonans—almost one in five—lived in poverty in 2010.
- 29% of Arizona households with children experienced food hardship in 2010.
- Tucson is in the top 25 cities nationally for food hardship in households with children.
- Nearly 39% of agencies providing hunger relief services in Arizona in 2009 were faith-based.

New Partnership Aids Resource Center Expansion

Continued from page 1

In December, the ICS Resource Center at our Ina Road office expanded and moved into the former food bank space. And in January 2012, ICS opened a new Resource Center at the ICS eastside office. Our participation in **Building Futures for Families** has provided funds to add two new ICS staff members to oversee operations and programs at the two centers (see page 5).

The ICS Resource Centers are an important part of our mission; they help individuals and families achieve economic stability with tools that focus on both present and future needs.

Assistance includes help with online job searches and applications, résumé preparation, skills identification, interview coaching, and referrals to job fairs. Other services, such as registration for the federal Supplemental Nutrition Assistance Program (SNAP), and basic computer classes, offer additional tools to help clients move forward.

The number of clients coming to the centers is increasing each day, and we've heard a lot of positive feedback. "Thank you so much for the help," said Natalie, who came in for assistance with online job searching. "Your office is right near the bus stop and it's nice to have someone take the time to show me the different websites."

The centers also help low-income and working poor recipients plan for the future. Through a partnership with Wells Fargo's "Hands on Banking Program," classes help clients develop financial literacy skills, such as how to make a budget and build savings. As with all of our services, the ICS Resource Centers are powered by the energy of volunteers.

Please see www.icstucson.org for Resource Center hours and for additional information. To volunteer, contact Tandala Kidd at 297-2738 x243.

ICS Supporters and Volunteers Receive Recognition

Winston Churchill once said, “We make a living by what we do, but we make a life by what we give.” ICS is grateful to have so many caring, giving volunteers and donors, and some of them are receiving recognition from the community-at-large.

Bruce and Karen Bittmann

Bruce and Karen Hamar Bittmann received a 2011 Spirit of Philanthropy Award for their long-time support and work for ICS at the Association of Fundraising Professionals’ National Philanthropy Day Luncheon in November. Among their most recent contributions are major support for the new ICS Food Bank and furnishings for its Kids’ Corner. Bruce is currently a volunteer driver for ICS Caregiving Services.

Bob Henry and Don Kimball received Outstanding Volunteer Impact awards during Volunteer Southern Arizona’s 2011 Celebration of Service, also in November. Bob coordinates the

VITA program (see page 9), and Don, a retired nurse, helps out ICS’s Health Advocacy program by interviewing potential clients to assess their service needs.

ICS Volunteer Resources Manager **Sandi Brickley** also received the Ellen Hargis Award for Excellence in Volunteer Program Management. “I am incredibly blessed to be in a position where I get to connect excited, gifted people with opportunities to live out their passion,” Sandi said in her speech during the event. “Our volunteers are our most valuable resource. Without them our work would quite literally be impossible.”

Last year, 617 volunteers contributed over 41,000 hours of service at ICS, valued at \$797,066 by the Independent Sector of Arizona.

Good Samaritan Program Lends a Helping Hand

After caring for her parents for 10 years, **Adora Redd** found herself struggling when they passed away last winter. She needed time to recover—physically and emotionally—from her caregiving duties, but she was out of money and without a job.

When a neighbor heard Adora was having a hard time making ends meet, he suggested she come to ICS. The ICS Food Bank provided her with an emergency food box and supplemental items, and through the Good Samaritan Fund she received gas vouchers to support her job search.

“Sometimes it can be a humiliating experience to ask for help,” Adora said. “But it wasn’t that way at all at ICS. Everyone, from Terri [Patt-Smith] to the volunteers at the front desk, was so welcoming and professional.”

Adora is now back on her feet and pursuing an MBA. For a recent class she wrote a paper about ICS. “As an organization, ICS is service-oriented and user-friendly. There is so much integrity and momentum here, and your partnerships with other organizations make ICS a strong part of the community. I know you will be around and helping people for a long time.”

Bridging Faith and Health

In collaboration with **Carondelet Health Network**, ICS presented another quarterly “**Basic Training for Congregation Health Leaders: Bridging Faith and Health**” in October.

Fifteen people from seven congregations and one community organization enjoyed two days of gleaning information and inspiration to help their congregations develop

physical, and mental—of their members and neighbors. An attendee commented, “We need more of these seminars.” And there will be more of these seminars! The next session is scheduled for **February 16 and 17, 2012**, at St. Mary’s Hospital.

Attendance for both days costs only \$10 per person. For information on registering or

developing a congregational health program, contact **Karen MacDonald** at 297-2738 x221 or kmacdonald@icstucson.org.

New Board Members and Staff

Will Franks joined the ICS Board last fall. He has over 10 years of experience in human resources with health care, private sector and government entities. He is Manager of Total Rewards for the University of Arizona Health Network. Will has an MBA from Webster University and a Masters in Industrial and Organizational Psychology for Missouri State University. (*photo unavailable*)

Sivan Korn, another new ICS Board member, is a partner at Lewis and Roca, specializing in commercial litigation. She moved to Tucson from New York in 2005. Through her pro bono work, Sivan represents holocaust survivors as part of the Bet Tzedek Holocaust Survivors Justice Network.

The ICS Resource Centers are staffed! As the Resource Center Manager, **Tandala Kidd** will oversee operations at our main office and the development of job search programs and financial literacy classes. Tandala was formerly an administrator at Rising Star Baptist Church and is currently completing a doctorate in organizational leadership.

Our eastside Resource Center Coordinator, **Sandy Bohn**, will handle activities at that office. Sandy has over 10 years of experience working with people on career development and self-empowerment.

Alison Betts, M.A.C., M.A., joined the Development staff in October as a Communications and Grants Specialist. Alison has over 10 years of communications experience in corporate, higher education, and nonprofit settings.

We'll be presenting this year's **Champion, Founder's and Director's Service Awards.** Compete in the Don Ho look alike contest (think "Tiny Bubbles"), enjoy great food with a luau theme and get your picture made as a hula dancer or muscle surfer against one of our own scenic backdrops.

It's our way of saying "Maholo" and a job well done!

RSVP to **Sandi Brickley**, ICS Volunteer Resources Manager, at 297-2738 x217. ICS will furnish the main dish; volunteers are asked to bring a side dish or dessert to share.

Free Write-A-Will Seminars

Have you experienced a major change in your life such as the birth of a child or grandchild, or the death of a spouse? Has it been years since you updated your will? Are you looking for a way to make a difference for a favorite faith community, school or cause that won't cost you while you are living, but will live on long after you are gone?

In partnership with the **Planned Giving Roundtable of Southern Arizona**, ICS is again offering the national **Leave a Legacy Write-A-Will Workshops.** These **FREE 90-minute** interactive

seminars are presented by experienced estate planning attorneys and offer education about making or updating a will, how to protect even the most modest estate, ways to formalize your wishes, and how to ensure those wishes are known and respected.

A question and answer session is included and free materials are provided. This year's seminars will take place:

Saturday, March 3, 2012

10 a.m. to 11:30 a.m.

A BIG Thanks!

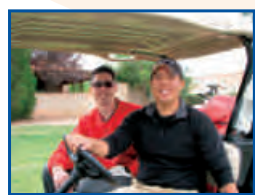

It's been a busy few months at ICS, and we are grateful to have received the support of so many individuals and groups:

Resurrection Lutheran Church, one of our wonderful faith community partners, gathered 20,000 diapers for the ICS **Food Bank** in October. Thanks from the "bottom" of our heart!

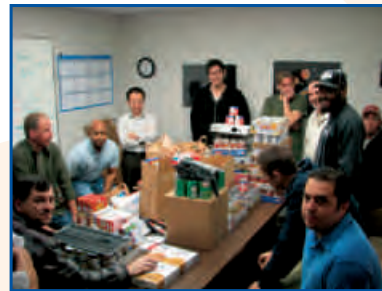

In December the **Tucson Dance Academy** staged "Spirit of Christmas"—a high-energy, Broadway-style show that celebrated the warmth and joy of the holidays. ICS received \$1000 from the ticket proceeds.

Faith communities, businesses, social groups, and individual donors adopted 81 families this holiday season through our "Gifts of Love" program. "We felt so fortunate just to stay in our home this year," said one recipient, whose family had also received emergency rental assistance. "I can't believe someone cared enough to make sure my kids have a Christmas. Thank you for all you do!"

One hundred and eighty golfers came out for the Veterans Day "We Care" **Golf Classic at Omni Tucson National Golf Course**. The gorgeous scenery was matched by gorgeous weather. The event raised \$25,500 for ICS.

Members of the Arizona Technology Council filled their offices with food donated for ICS

Fifteen local businesses competed to gather the most food during the **Arizona Technology Council's** second annual Holiday Food Drive Competition. The result? Almost four tons of food for the ICS Food Bank! Employees at **Infrared Laboratories** gathered over 2,700 items to secure their first-place win.

Oro Valley Church of the Nazarene put on 10 spectacular performances of "The Promise of Christmas" and donated almost \$26,000—all of which was collected during the freewill offering. This annual event has raised over \$70,000 for ICS since it began.

Two hundred ICS clients received packages of food and personal items at the holiday give-away sponsored by the **National Retired Basketball Players Association** and organized by **United Way** on December 6. The NRBPA also donated an additional 5,600 pounds of items to ICS for later distribution.

The **5th annual Edward Jones Bag-A-Thon** raised an astonishing 42,088 pounds of food for the new ICS Food Bank. Organized by ICS Board member **Ken Blanchard**, the final total was made possible through the work of 16 Edward Jones offices, seven schools, seven scouting groups, five local businesses, the Town of Oro Valley, and the community-at-large. A special thanks to **Eege's**, **Kohl's**, and **Guy Atchley** for their participation!

Almost 300 people attended the annual **ICS Holiday Open House** on December 9. We were happy to welcome so many of our friends!

Dove of Peace Lutheran Church celebrated the start of 2012 with "A Concert for the New Year." The event raised \$3,300 for ICS through a freewill offering.

And a big thanks to all the individuals and groups who hosted food drives for ICS, including **Tohono Chul Park**, the **Sonoran Desert Flyers**, **Sequels Upscale Resale Shop**, and **QuikTrip** stores.

ICS Mobile Meals Update

Through the dedication of our volunteers, ICS has delivered nutritious and delicious meals to seniors and disabled adults for 25 years.

In November, **ICS Mobile Meals** began offering new meal delivery options. In addition to our traditional service, recipients can now choose to receive 1 or 2 meals a day on Mondays, Wednesdays, and Fridays, offering greater flexibility.

ICS Mobile Meals is now working with **Mobile Meals of Tucson and Catalina Community Services** to expand our service area and help more clients. Two new partnering facilities—**Santa Catalina Villas** and **Emeritus**—will begin providing meals to our recipients. These new partnerships will increase our recipient capacity and improve our effectiveness.

Receiving a nutritious meal from a friendly volunteer makes a world of difference to our clients. **Howard**, a Mobile Meals recipient, told us, *"It is difficult to find words to express how grateful I am for, and how much I appreciate, the effort that you folks put forth to prepare and deliver food to those, like me, who would have difficulty fixing food for themselves. It is so gratifying to see a pleasant face and hear a cheerful word when the food is delivered."*

Do you know someone who could benefit by becoming an **ICS Mobile Meals** recipient? Contact our Mobile Meals Coordinator **Nick Aman** at 297-2738 x208.

Volunteer Income Tax Assistance

ICS is once again a site for **Volunteer Income Tax Assistance (VITA)** in partnership with **United Way of Tucson and Southern Arizona**. IRS-trained volunteers prepare tax returns free of charge for eligible ICS clients.

Last year ICS volunteers assisted 202 low- and moderate-income clients to claim \$293,156 in tax returns. This vital service helps our clients access all of the tax credits to which they are entitled and promotes their fiscal stability.

VITA services at ICS will be available from 4 to 7 p.m. Wednesdays and 9 a.m. to 1 p.m. Saturdays, February 1 – April 14, 2012. No appointment is necessary; clients are taken on a first-come, first-served basis.

Please call the ICS office at 297-6049 or visit our website at www.icstucson.org for additional information and documents required.

Myrtle Thorne Leaves a Wonderful Legacy to Help ICS

ICS lost a friend and supporter when **Myrtle Thorne** passed away in February 2011. However, Myrtle made sure that her support would continue in perpetuity.

Last month, the ICS Endowment received a wonderful boost with a very generous gift of approximately \$250,000 from Myrtle's estate. Her support is so significant to ICS that we want to publicly honor her memory through this article.

Myrtle had a very interesting and distinguished career with the U.S. Department of State and the U.S. Information Agency. As a member of the diplomatic corps, she lived during the 1950s in Indonesia and Sri Lanka, where she arranged cultural and educational exchanges and dealt with the local press. At that time, she was the only woman in such a position in the Far East. She was fluent in the Indonesian language.

In the course of her career, Myrtle met with top government officials in the United States and abroad, including heads of

Myrtle Thorne 1921 - 2011

state in Indonesia and Sri Lanka. She planned and oversaw the construction of a library in Central Sumatra. Prior to retirement, she held a key position in the State Department's Bureau of Intelligence and Research.

In retirement, Myrtle lived in Tucson and Show Low, Arizona. She was introduced to ICS through two long-time ICS volunteers: **Pat Kinsman** and **Bev Jennison**. Even as her health faded in her 89th year, Myrtle received regular updates on ICS.

In early 2010, former ICS President **Ed Jenkins** and Executive Director

Bonnie Kampa visited with Myrtle in her Oro Valley home. *"It means a lot to us to have been able to thank Myrtle personally for this very generous gift. Her legacy will live on through this gift to the ICS Endowment,"* says Ed.

Our special thanks to Myrtle Thorne. With this wonderful gift, ICS will be able to serve thousands of seniors and individuals in need in our community for years to come.

ICS Forges New Partnership for Medical Equipment Donations

OneStop Home Medical Equipment, a program of **Jewish Family & Children's Services (JFCS)**, recently opened a donation site at the **ICS Food Bank**.

OneStop Home Medical Equipment provides high-quality, affordable refurbished medical equipment such as wheelchairs, walkers, and shower bars to older adults, disabled individuals, children and anyone unable to pay full retail price. Because of its unique pricing structure and donated inventory, OneStop is able to offer deeply discounted equipment as a public service. Affordable access to this equipment gives individuals with medical needs greater mobility, safety and comfort.

As of January 18, OneStop employees and volunteers staff the ICS Food Bank site on Wednesdays from 10 a.m. to noon to accept donations. The donated items are refurbished and made available at affordable prices to individuals with medical needs.

In addition, people who wish to purchase equipment can make arrangements with OneStop staff to obtain equipment at the northwest location.

"We are delighted to be working with ICS in this partnership," says **Shira Ledman**, JFCS President & CEO. *"OneStop complements ICS's services and provides a valuable opportunity for folks who live in the northwest area of Pima County to donate their medical equipment. Last year we served nearly 800 individuals, and with this expansion, even more people will benefit from our program."*

OneStop Home Medical Equipment is a program of JFCS; its mission, like that of its parent organization, is to serve the people of the greater Tucson community. OneStop's main office is at Pima St. and Alvernon Way in central Tucson, and is open Monday through Friday from 8 a.m. - 5 p.m.

Legacy Society

The **Interfaith Legacy Society** members are patrons who make a planned gift of any amount or current gift of \$10,000 or more to the ICS Endowment Fund. These contributions help ensure the long-term financial stability of ICS and enable us to continue to serve people in need. We are pleased to welcome and thank our new members of the Interfaith Legacy Society, **Jack and Peggy Comp** and **Robert and Patricia Kittrell**.

If ICS has touched your life or the life of a loved one, consider giving a lasting contribution to help continue its work. Legacy gift options include remembering ICS in your will, establishing a gift annuity, naming ICS as a beneficiary of a life insurance policy, pension plan, or IRA, gifting tangible real estate, or designating a gift to the ICS Endowment fund. Call **Deborah Carr**, Development Director, at 297-2738 x222, for more information.

Save the date for this timely one-day conference on the intersection of faith and mental illness.

Presented by ICS through major support from the **David C. and Lura M. Lovell Foundation**, the conference will offer clergy, lay faith leaders, and social services professionals insights and resources for better understanding mental illness and helping congregations be welcoming places for people affected by mental illness. **Reverend Greg Foraker** is conference coordinator.

Reverend Susan Gregg-Schroeder, the keynote speaker from California, founded Mental Health Ministries in 2001 to provide media and print educational resources to help erase the stigma of mental illness in our faith communities. Susan's

DVD set, *Mental Illness and Families of Faith: How Congregations Can Respond*, offers eight shows on a variety of mental health issues. Susan shares her personal journey with clinical depression

in her book, *In the Shadow of God's Wings: Grace in the Midst of Depression*. Susan works with several national groups including serving on the Advisory Committee for NAMI FaithNet and the Board of Directors for Pathways to Promise.

Tickets are \$35 each or four for \$100. Registration includes presentations, materials, continental breakfast, lunch, and certificate of attendance. Our early registration form will be available on the ICS website at www.icstucson.org mid-February.
